RE: NOTICE TO THE LEGAL PROFESSION -

IMPORTANCE OF THE ACCURATE INFORMATION

**ON DRAFT COURT ORDERS** 

- Kindly take notice of the need to accurately state the exact case number as it appears in the digital database on draft orders and orders of court. In particular, frequently, the prefix – 0 or 00 – is omitted or numbers are transposed.
- 2. The identity numbers of natural persons especially in divorce cases must be accurately started to avoid the wasteful need for rule 42 variations to be sought.

3

3. Further, the name and cell number of the counsel who moves an unopposed

case must be accurately stated.

4. This inattention to detail results in the registry staff and the judges 'secretaries

being unable to trace an order for counsel when a query is submitted, and

valuable time is wastefully consumed on the searches.

Yours faithfully
