

OFFICE OF THE CHIEF JUSTICE

(REPUBLIC OF SOUTH AFRICA)

GAUTENG DIVISION, JOHANNESBURG

CIVIL TRIAL DEFAULT JUDGMENT ROLL FOR 27 JANUARY 2026

BEFORE THE HONOURABLE JUDGE: NKOENYANE AJ

JUDGE'S SECRETARY: MMoropa@judiciary.org.za

Directives

Introductions will be done in chamber 1002 at 09h45.

Legal practitioners are hereby notified of the following practice directives to ensure the efficient management and hearing of matters enrolled on the civil trial roll for 27 – 30 January 2026.

Parties must ensure that their matters are fully accessible on CaseLines, including those matters initially initiated through CourtOnline. This accessibility must be perfected by no later than Friday, 23 January 2026, at 16h00.

All practice notes, heads of argument, and draft orders (which must be in MS Word format) must be uploaded to CaseLines by no later than Friday, 23 January 2026 at 12:00 PM (noon).

The papers should be in order when the matter is called. No matter will stand down until later in the week.

Any affidavit evidence upon which a party intends to rely must likewise be uploaded to CaseLines by Friday, 23 January 2026, at 12:00 PM.

Legal practitioners are warned that a failure to comply with any of the accessibility or filing requirements will place the parties at risk of their matter being struck or removed from the roll.

Where general damages are claimed, the Plaintiff's practice note must feature Counsel's summary of the injuries and sequelae, with specific references to the expert and hospital reports on CaseLines. A list of relevant authorities, detailing the injuries, figures awarded, and quantum in present monetary terms, is also required.

For claims involving loss of income or earning capacity, the practice note must provide brief submissions (not exceeding one page) on the pre- and post-morbid scenarios, including contentions on contingency deductions.

Where past medical or hospital costs are claimed, evidence on oath verifying the reasonableness and veracity of such costs must be uploaded.

The practice note must indicate with reference to the caselines bundle pager reference, where the relevant expert reports and affidavits may be found.

If an award is to be protected by a trust, the trust deed and the trustee's consent must be uploaded to CaseLines.

The draft order must be in a format ready to be made an order of court. It must clearly reflect the Judge's surname (NKOENYANE AJ), the date, and the names and email addresses of counsel and attorneys. The word "draft" and the phrase "further and/or alternative relief" must be deleted from the document.

Judges and Acting Judges must be circumspect when asked to grant a "stand-down" for settlement, as this squanders valuable judicial time. The standard procedure is that any trial not ready to proceed by 10:00 AM on its set-down date shall be removed from the roll with no costs order. This allows the Judge to attend to the next case. This practice is essential to prevent the roll from becoming congested, an issue particularly prevalent in Road Accident Fund matters.

The roll for the week commencing 26 January 2026 will be called as follows:

Matters 1 to 28 will be heard on **Tuesday, 27 January 2026 @ 10h00**.

Any removals, settlements and matters that proceed will be heard on **Tuesday, 27 January 2026**.

Matters 28 to 40 will be heard on **Wednesday, 28 January 2026 @ 14h00**; and

Matters 41 to 54 will be heard on **Friday, 30 January 2026 @ 10h00**.

Please take note that matters no **28-40** scheduled to be heard on Wednesday 28 January 2026 will take place **virtually from 14h00** using the link below, same will be widely shared on caselines.
