- 2.Where a matter is set down for a date other than 17 February 2026, the Applicant must serve a notice of set down on the Respondent for that date and upload proof.
- 3.Applicants are required to ensure that Respondents are invited to the Case Lines profile post haste.
- 4.All matters will be heard physically during office hours, unless prior timeous arrangements are made with the relevant Judge's secretary (please see the day-roll for the court that will be used for the hearings). Matters not yet on the roll will be heard as directed by the Judge. All matters brought after hours will be heard virtually. The after hours no is 068 104 7107.
- 5.Practice notes and heads of argument, in addition to being loaded to CaseLines, must be e-mailed in Word version to the relevant secretary per the details set out above.
- 6.In matters already on the roll (below), practice notes, and updated practice notes where appropriate, as well as heads of argument should be loaded as soon as possible, but in any event not later than 13h00 on Monday, 16 February 2026.

13. In some matters a file was created on CaseLines but still reflect the note that 'initial pagination for the bundle is underway. Please try again in a few moments'. The files are therefore inaccessible. These matters will be called at roll call on Tuesday. Practitioners should endeavour to resolve this problem forthwith.

Practitioners should endeavour to resolve these issues forthwith. Such papers may not be considered in their current state and may not be allocated to a timeslot as a result. Failure to comply with the directives may result in matters being removed from the roll
